FLIGHT SCHEDULE

ORBIT 1 | 9:00 AM - 10:15 AM

BOARDS ARE FROM MARS, DOCUMENTS ARE FROM VENUS

This class will address the importance of modernizing your documents to accommodate the impact of new laws and regulations. We will discuss the top three most common reasons to amend your documents, including rental caps.

CHANGE IN MISSION CONTROL

Learn how to ease transitions before, during and after developer control, as well as the benefits of transition committees and advisory teams.

COLLECTING YOUR \$TARBUCK\$

A basic course in the collection process and resolutions. You will receive an overview of paper work needed to get accounts to collections, and learn your rights for suspending privilege and services.

SPARKS! A SHOWCASE OF TALKS

Join us for Sparks! A showcase of talks that might be bold, possibly brash, maybe even brilliant, but never boring! It's the learning format that's fast, fun and focused! Topics coming soon.

BLAST OFF TO SUCCESS: LEADERS HELPING LEADERS

Network, share ideas and ask questions in the facilitated roundtable discussions where leaders are helping leaders build better communities. Join one of these group discussions on a variety of topics.

ORBIT 2 | 11:15 AM - 12:30 PM

DON'T MAKE YOUR RFP A UFO!

Learn from the experts. How to provide the most accurate information, in order to receive the best possible proposals.

FACING ARMAGGEDON

An intermediate course on what to do when disaster strikes. How and when to deal with the media, and the most effective ways to work with your emergency response teams. You don't want to miss a thing.

CALLING CAPTAIN KIRK

Get in on the fun with two skits demonstrating when your association should call in a professional, followed by an open panel discussion on best practices regarding accounting, insurance and law. Your association manager is not necessarily the expert!

ALIENS ON EARTH

Join us for Part 1 of our mock due process hearings. Get a front row seat when non-complying owners are called to hearing. Witness a panel enforcing covenants and following due process procedures.

BLAST OFF TO SUCCESS: LEADERS HELPING LEADERS

Network, share ideas and ask questions in the facilitated roundtable discussions where leaders are helping leaders build better communities. Join one of these group discussions on a variety of topics.

ORBIT 3 | 2:15 PM - 3:30 PM

COVERING URANUS

An intermediate course on protecting your community. Learn how to deal with discrimination claims, explore common reasons why associations get sued, and gain a clear understanding of liability issues and workmans compensation.

THE INTERGALACTIC COUNCIL

Best practices for your associations board and annual meetings. We will cover all the basics: meeting notifications, minutes, and quorum requirements. A great class for new board members!

WHO OWNS THE MOON?

An intermediate course defining the responsibilities of ownership. Learn how to interpret unit vs. common elements vs. limited common elements, and leave with a clear understanding of the definitions in your documents.

ALIEN RESURECTION

A mock trial; going beyond the due process hearing. Come see what you can expect in court, what not to wear and say, and the rules of the trial. You be the jury!
